

Thank you for shopping embe!

We appreciate your support of small businesses! Below are application and care instructions for your fabric applique.

Application instructions:

1. **Pre-wash** – Depending on the material you are applying the applique to, pre-wash the item WITHOUT using fabric softener.
2. **Pre-heat** - Pre-heat your iron to low heat WITHOUT steam.
3. **Placement** – Place the applique, adhesive side down (you'll notice there's a slight sheen on this side) in the desired position.
4. **Iron** – Press and hold iron for 8-10 seconds on each section until entire piece is bonded.
5. **Sew** - Sew along the edges of the applique for a permanent bond. Item is machine-washable after the edges are sewn.

Washing instructions: For best results, use the delicate wash setting and tumble dry with low heat. Do not dry clean.
