

Thank you for shopping embe!

We appreciate your support of small businesses! Below are application and care instructions for your decal.

Application instructions:

1. **Clean** – Wipe clean the surface you are applying the decal to with rubbing alcohol or a mild cleaner. Allow to dry.
2. **Peel** – Carefully peel off the backing layer from the decal. The vinyl and the clear transfer layer will remain. (Vinyl should not stick to the backing layer. If this occurs, rub the decal with a credit card before peeling the backing layer.)
3. **Apply** – Align and place your decal on the surface. Use a credit card to rub and smooth the decal onto the surface.
4. **Remove** – Remove the clear transfer layer. Begin in one corner working your way across the decal.
5. **Cure** – Allow your decal to cure on the surface for 72 hours before use or washing.

Care instructions: Hand wash, rub gently over area of decal. Do not place item in dishwasher. Do not soak.
